Osceola Golf Course

1. Skills/Certificate Challenge

All participants (Player Level and up) of Fall Golf & Life Skills classes are invited to participate in a Pitch-Putt-Drive Skills Challenge. This **FREE**, fun event is twofold: It gives participants a chance to show off the skills they've been practicing all session long! In addition, coaches will be on-hand to evaluate golfers wishing to proceed to the next skill level. To move levels, participants will need to pass a written test and a hands-on test. Ask your coach if your junior golfer is eligible to attempt certification, which is based upon class attendance and their ability to demonstrate the Golf & Life Skills that were taught during the session. The challenge is FREE, but pre-registration is required; walk-ups will be charged \$10.

**All participants ages 11 and under must be accompanied by a parent.*
